OFFICE POLICY

DENTAL INSURANCE AND FINANCIAL ARRANGEMENTS

- 1. Patients are responsible for fees incurred
- 2. Patient payment, for the first visit, is due at the time of service (\$200.00 PLUS ANY ADDITIONAL FEES ASSOCIATED WITH ANY DIAGNOSTIC IMAGING, IF NEEDED).
 - Insurance will be filed if applicable and adjustments will be made to the account when and if payment is received from insurance.
- 3. Upon request a pre-determination will be sent to your insurance company. We do not automatically send a pre-determination.
 - As a courtesy to you, we will submit insurance forms for patients. Please note there are certain insurances who pay the patient directly, in which case, payment is due from the patient the day services are incurred. WE ARE NOT IN NETWORK WITH ANY INSURANCE COMPANIES. WE ARE AN OUT OF NETWORK PROVIDER. DELTA DENTAL PATIENTS WILL BE RESPONSIBLE FOR 100% OF THE FEES AT THE TIME OF SERVICE. DELTA DENTAL WILL PAY THE PATIENT DIRECTLY.
- 4. For the remainder of patients with insurance other than delta, a down payment of 20-75% (dependent upon the procedure and insurance coverage) is required at the time of service. Unlike medical insurance, most dental plans do not cover 100% of charges incurred so after insurance pays the claim, we will bill you for any difference due.
- 5. After treatment is completed any credit balances will be refunded.
- 6. Unpaid balances over 90 days will incur a monthly handling charge of 1.5% monthly (18% A.P.R.)
- 7. We accept CHECK, CASH, MASTER CARD, VISA, DISCOVER AND CARE CREDIT

Please be advised that for liability reasons we are unable to have children accompany you in the room while procedures are being completed. Please make arrangements for children to be left at home. If you arrive with your child, your appointment will need to be rescheduled.

Please do not hesitate to ask us any questions regarding our office policies. We want you to be comfortable in dealing with these matters and we urge you to contact us if you have any questions regarding these issues.
